#### **Advertisement/Signage**

All advertisements and signs that will be posted inside/outside of the building must be approved by ISD 199 prior to rental. ISD 199 restricts that use AND advertisement/sponsorship of all alcohol and tobacco on school grounds.

### **TURF FIELD USER'S RESPONSIBILITIES**

Because the turf is not regenerated like natural grass, anything left on the turf remains there, posing health and safety hazards as well as general degradation of the turf. **Please clean up after your activity!!!**

#### **Clean-up:**

1. You are responsible to leave the field as clean and ready for the next user. When you are done, please inspect the field and remove anything left by your players or spectators, such as trash, athletic tape, or equipment. Be very careful to remove all mouth guards left by players (a biological hazard). Have your participants walk the field in a line at the end of their event.
2. Cleaning spills and participant fluids: Spills of foreign substances should be removed as quickly as possible. Thoroughly rinse any cleaning attempts to avoid slippery areas that could result in injury.
3. In the event that a user has left the fields without cleaning up or has allowed sunflower seeds and/or gum onto the field turf. A cleaning fee may be charged.
