POLICY:	419
ADOPTED:	05/07/01
REVISED:	06/26/23

I. Purpose

The Inver Grove Heights School Board is dedicated to providing a healthy, comfortable and productive environment for staff, students and citizens. The School Board believes that education has a central role in establishing patterns of behavior related to good health and shall take measures to help its students to resist tobacco use. The School Board is concerned about the health of its employees and also recognizes the importance of adult role modeling for students during formative years. Therefore, the School Board shall promote a tobacco-free environment among its staff and students.

II. General Statement of Policy

- A. It shall be a violation of this policy for any student, teacher, administrator, other school personnel of the school district or person to smoke or use tobacco or tobacco-related devices, or carries or uses an activated electronic delivery device in a public school. This prohibition extends to all facilities, whether owned, rented, or leased, and all vehicles that a school district owns, leases, rents, contracts for, or controls. In addition, this prohibition includes privately owned vehicles used, in whole or in part, for work purposes, during hours of school operation, if more than one person is present. This prohibition includes all school district property and all off-campus events sponsored by the school district.
- B. A violation of this policy occurs when any elementary school, middle school, or high school student possesses any type of tobacco, tobacco-related device, or electronic delivery device in a public school. This prohibition extends to all facilities, whether owned, rented, or leased, and all vehicles that a school district owns, leases, rents, contracts for, or controls and includes vehicles used, in whole or in part, for school purposes, during hours of school operation, if more than one person is present. This prohibition includes all school district property and all off-campus events sponsored by the school district.
- C. No person shall at any time smoke, chew, or otherwise ingest tobacco or a tobacco product, or carry or use an activated electronic delivery device as defined in Minnesota Statute section 609.685, subdivision 1, in a public school"
- D. As stated in Policy 504 Student Dress and Appearance, Section IV. B. 4., any clothing or accessories depicting images or language depicting or promoting products or activities that are illegal for use by minors are not to be worn at any school sponsored activity regardless of the age of the student.

- E. The school district will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school personnel, or person who is found to have violated this policy.
- F. The school district will not solicit or accept any contributions or gifts of money, curricula, materials, or equipment from companies that directly manufacture and are identified with tobacco products, tobacco-related devices, or electronic delivery devices. The school district will not promote or allow promotion of tobacco products or electronic delivery devices on school property or at school-sponsored events.

III. Definitions

- A. "Electronic delivery device" means any product containing or delivering nicotine, lobelia, or any other substance, whether natural or synthetic intended for human consumption through inhalation of aerosol or vapor from the product. Electronic delivery device includes but is not limited to devices manufactured, marketed, or sold as electronic cigarettes, electronic cigars, electronic pip, vape pens, modes, tank systems, or under any other product name or descriptor. Electronic delivery device includes any component part of a product, whether or not marketed or sold separately. Electronic delivery device excludes drugs, devices, or combination products, as those terms are defined in the Federal Food, Drug, and Cosmetic Act, that are authorized for sale by the United States Food and Drug Administration.
- B. "Heated tobacco product" means a tobacco product that produces aerosols containing nicotine and other chemicals which are inhaled by users through the mouth.
- C. "Tobacco" means cigarettes and any product containing, made or derived from tobacco that is intended for human consumptions, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed or ingested by any other means, or any component, part, or accessory of a tobacco product, including but not limited to, cigarettes; cigars; cheroots; stogies; perique; granulated, plug cut, crimp cut, ready rubbed, and other smoking tobacco; snuff; snuff flour; cavendish; plug and twist tobacco; fine cut and other chewing tobacco; shorts; refuse scraps, clippings, cuttings and sweepings of tobacco; and other kinds and forms of tobacco.
