

Non-Release of Student Information to Military Recruiters

The Minnesota Legislature has amended the Government Data Practices Act as follows:

Chapter 13.32, Subd. 5a. Military Recruitment

A secondary institution shall release to military recruiting officers the names, addresses, and home telephone numbers of students in grades 11 and 12 within 60 days after the date of the request, except as otherwise provided by this subdivision. A secondary institution shall give parents and students notice of the right to refuse release of this data to military recruiting officers. Notice may be given by any means reasonably likely to inform the parents and students of the right. Data released to military recruiting officers under this subdivision:

- (1) may be used only for the purpose of providing information to students about military service, state and federal veterans' education benefits, and other career and educational opportunities provided by the military;
- and
- (2) shall not be further disseminated to any other person except personnel of the recruiting services of the armed forces.

A parent of a student, or a student who is 18 years of age or older, has the right to refuse the release of the name, address or home telephone number to military recruiting officers. To refuse the release of the above information to military recruiting officers, a parent of a student, or a student who is 18 years of age or older, must return the non-release form by September 1 of each year. A new request must be completed each year.

A parent or eligible student's refusal to release the above information to military recruiting officers does not affect the district's release of directory information to the public, which includes military recruiting officers. In order to make any directory information about a student private, a parent or eligible student must return a Non-Release of Directory Information form.
